ROSE MESSENGER – A STRONG VOICE FOR OUR LOCAL COMMUNITY

Local residents select Rose Messenger to stand for Patchway Town Council in the upcoming By-Election on the 5th September.

About me: Having lived in Patchway for the past 40 years, I am hugely passionate about our local community.

I sent two of my children to the local Patchway High School, with my grandchild starting soon. I want to make a difference to Patchway residents and make sure Patchway remains a great place to live and grow up especially for young people.

Having previously been a councillor I served on the parks and open spaces committees. Through my work on the committees, I have gained experience working with others to help the community thrive.

Tough on crime: Local residents are clear, anti-social behaviour is not welcome in our community. Serving as a PCSO for ten years in the Little Stoke area, I gained vital experience helping to tackle crime and working with communities to make streets safer and was awarded for outstanding service in South Gloucestershire.

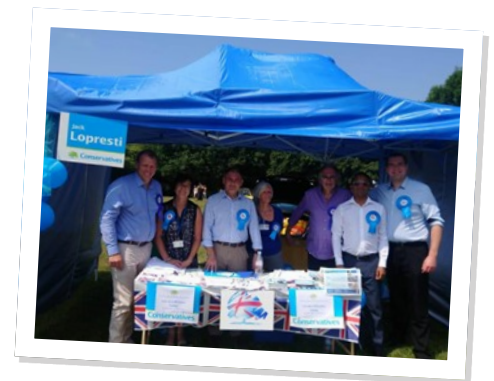

Standing up for Patchway: I will fight for better Youth Services and for the community centre, as well as a radio station for Patchway. I feel that these facilities are important as they help bring the community together, and improve the experiences of young people growing up here.

If you want a strong voice for Coniston and to tackle anti-social behaviour please give me your vote on the 5th September.
